In the last para of the Precis under reply to this Dept you stated that Finances are adequate. The prescribed closing balance is Rs 1 Lakh & does not like that by the Dept meeting the whole of the acquisition charges in the case, viz Rs 172-8-0, instead of only half as proposed, the finances will be much affected. Further, there is no amount available under the Town Improvement Grant for this year wherefrom Govt to meet the other half.

For these reasons the Dept may be informed that no Govt grant is possible & that the Dept should meet the whole charge.
